Hi Roni,

Thank you so much for all of your help with this! I really appreciate it.

Below are the excerpts and I also included the links to the corresponding minutes.

DEPARTMENT NAME CHANGE

It was reported to C-US that, effective September 1, 1998, the Department of Art will change its name to the Department of Art and Art History. There are no changes to the degree program (which would require approval by C-US and the Senate); the change is to the name only. The name change was reviewed and approved by the School Dean and the Provost, and the change also was reported to the Board of Trustees in June 1998.

Hope this helps!
